Menu Applications

Bundled Meal

Offer a slice or small square of cheesecake as part of a bundled meal to increase perceived value of the plate. Customize by using a variety of toppings found on your supply shelf already... such as assorted fruits, syrups, chocolate chips, etc.

Sampler Platter from 2 mixes!

Utilize 2 or 3 of Clabber Girl's many recipes and pair with our original cheesecake to create a bite-size sampler. Make one batch of each flavor and you're ready to go! (Cheesecake truffles, Strawberry Shortcake Cheesecake, Key Lime Quesadilla's, just to name a few! Recipes available at ClabberGirlFoodservice.com)

Dessert / Coffee Combo

Pair a small slice of cheesecake with a flavored coffee for a delectable combination and add-on. If your menu has a variety of flavored coffees, recommend pairings of coffee and cheesecake variations much like a wine list.

Customize Your Creations

Let your customers share in the creation of their own customized dessert. Provide a sampling of toppings including fruit, sauce, coconut (and more) which would allow customers to drizzle, dip and pour to their heart's (and taste bud's) delight!

Presentation Ideas
